

Located on about 145 acres between the cities of Paola and Osawatomie, the airport has direct access to 327th Street and is two miles west of an interchange with US 169 Highway.

It is owned and operated by Miami County, KS, government. The County Commissioners have appointed an Airport Advisory Board. Those members meet during alternating months making recommendations to the County Commissioners. Airport management are under contract with the county with a part-time site manager who oversees flight operations.

Known for having competitive fuel prices, Miami County Airport often attracts a wide range of visiting aircraft. We B Smokin' is ranked as one of the best terminal-based restaurants in the nation.
