

SEVERAL OPTIONS EXIST

Local transportation providers each have their own operational rules. Contact the provider in advance to verify the answers to any questions you may have.

Generally speaking, each provider asks riders to be ready 10 minutes in advance of the pick up. Drivers will wait only a short time on tardy riders.

The programs do not discriminate on the basis of race, color, creed, religion, national origin, sex, age or disability.

Services are offered to the general public in addition to seniors and the disabled.

Each service provider has a Code of Conduct and a set of safety rules. All riders must abide by these policies.

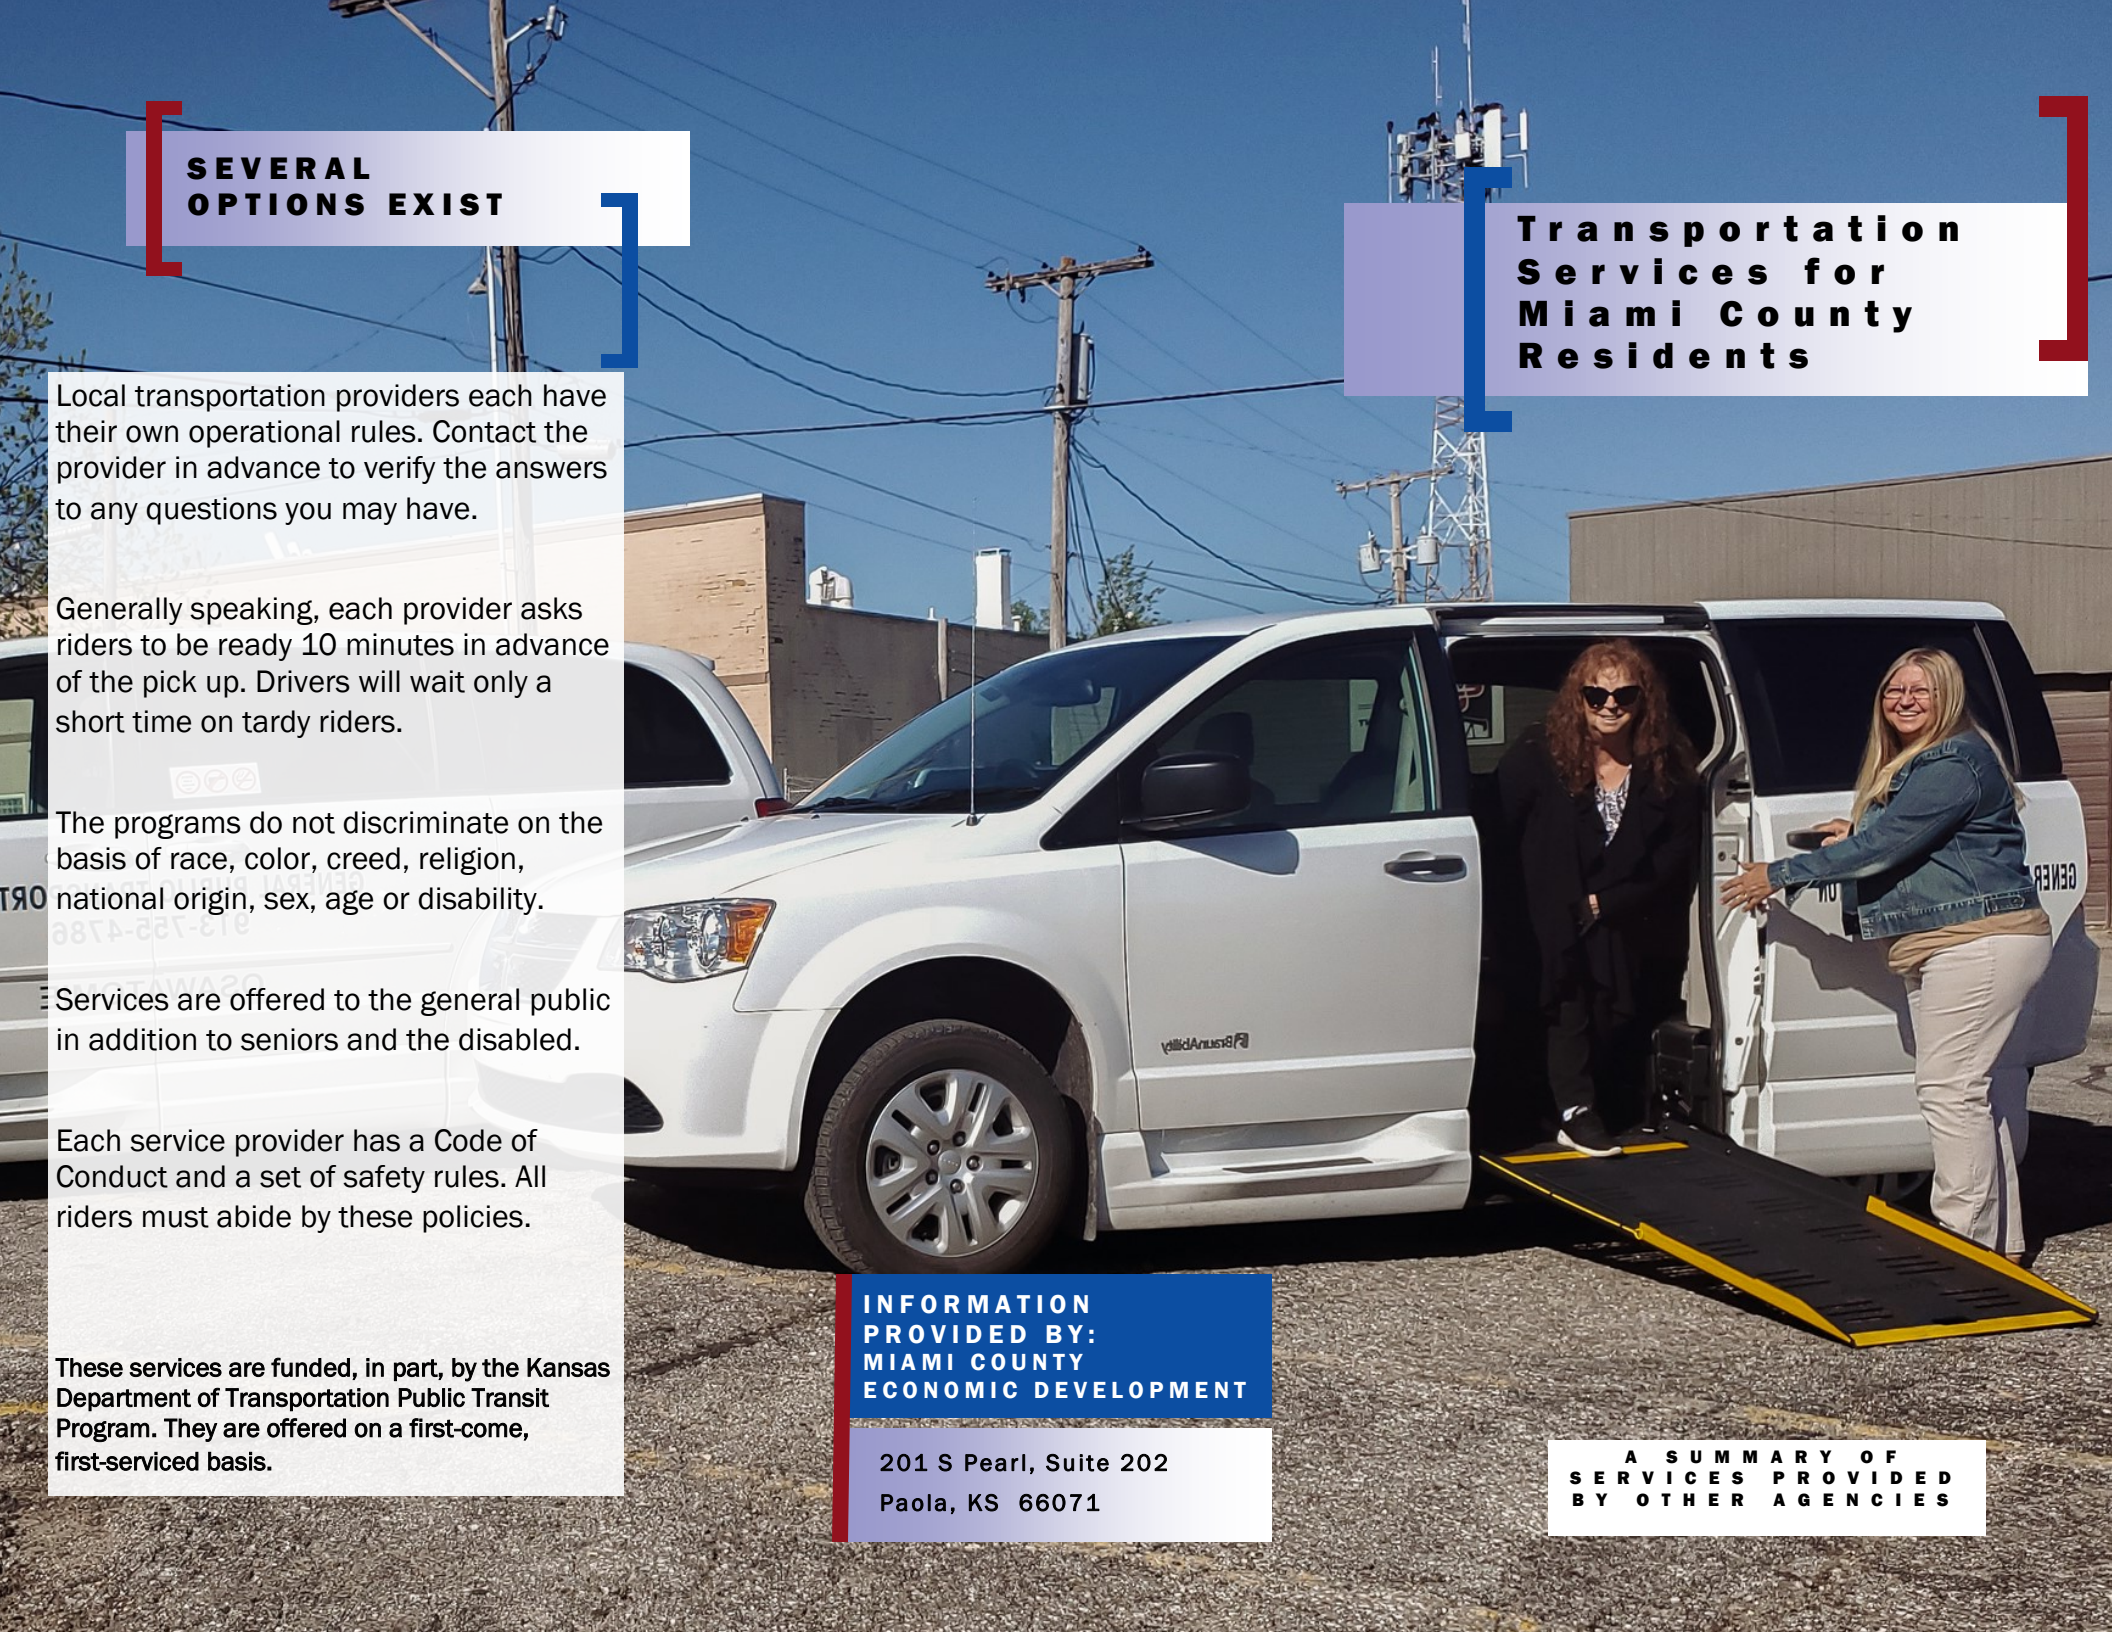

These services are funded, in part, by the Kansas Department of Transportation Public Transit Program. They are offered on a first-come, first-served basis.
