

REQUIREMENTS FOR OBTAINING A WILD ANIMAL LICENSE

1) **Annual Renewal** – A wild animal license shall be issued for a period of one (1) year and must be renewed on or before January 1 of each year. (K.S.A. 32-1303, 2007 Code).

2) **License Fee** – The wild animal license or annual renewal shall have a fee of twenty-five (\$25.00) dollars *per animal*, with a maximum of \$500.00 fee being charged to one person, plus a premises inspection of \$100.00. (K.S.A. 32-1304, 2007 Code).

3) **License Application** – An application form stating the name of the owner or person responsible for the keeping, harboring, buying, selling or maintenance for breeding purposes of any dangerous regulated animal, shall be required for a wild animal license. In addition, to the name of the owner, the application shall include:

- A) Name of applicant/possessor of animal
- B) Applicant's address
- C) Applicant's telephone number
- D) Complete inventory list of each dangerous animal, to include:
 - 1) animal species,
 - 2) total number of animals,
 - 3) microchip identification number and manufacturer of microchip for each dangerous animal,
 - 4) an exact location for each dangerous animal,
 - 5) age, sex, color, weight, scars and any distinguishing marks of each dangerous animal,
 - 6) name of any person who is a registered designated handler.
- E) Purpose, i.e. maintain operating inventory, selling to USDA licensed and compliant facilities in or outside of Kansas.
- F) A copy of the applicant's USDA license for dangerous regulated animals that was in effect on July 1, 2006.

(K.S.A. 32-1303, 2007 Code).
